Re: Request of Progress Energy Carolinas, Inc. to Revise the Availability of Small General Service (Time-of-Use) Schedule SGS-TOU
Docket No. 2008-54-E.

Dear Mr. Terreni,

This is to inform the Public Service Commission ("Commission") that the Office of Regulatory Staff ("ORS") has reviewed the above referenced filing and based on the information provided, ORS does not have an objection to the requested revisions to Schedule SGS-TOU.

Progress Energy Carolina's, Inc. requests revisions to the language in the Availability section to clarify that the tariff is available to customers with an initial contract demand below 1,000 kW and allows a customer to remain on the tariff when the customer's load exceeds 1,000 kW unless a change in facilities to serve that customer is required.

Thank you for the opportunity to provide our comments in this matter.

Sincerely,

John W. Flitter
